Our Case Management Services and Options:

Consumer Managed Case Management

This level of support is beneficial where you prefer to coordinate your services and would like to continue to do so independently with our help for initial service set up, budgeting and monthly check in phone calls.

IPC Health Managed

This option is optimal where you prefer for all service coordination to be managed by IPC Health. It gives you and your family peace of mind, knowing that all care and budgeting is planned with you but is completed by us. There are unlimited phone calls and regular home visits included to support your care needs.
