

# Medicare Allied Health

## Chronic Disease Management Program

If you have a chronic medical condition, you may be able to get a Medicare rebate.

The Chronic Disease Management (CDM) program provides specialised individual treatment services to those with a chronic medical condition and complex care needs.

A referral from your GP is required. This referral allows you to access up to 5 allied health visits per calendar year.

## Our experienced allied health team includes:

- Exercise Physiologists
- Physiotherapists
- Podiatrists
- Diabetes Educators

## Our locations:

We offer services in clinic at our 6 sites across Melbourne's Western Suburbs:

- Brimbank: Sunshine, Deer Park, St Albans
- Hobsons Bay: Altona Meadows
- Wyndham: Hoppers Crossing, Wyndham Vale

## Is there a fee?

Appointments seen through your CDM Plan will be bulk-billed. This means that you will not have to pay out of pocket.

We offer 30 minute clinic-based appointments for the Chronic Disease Management Program.

## How do I access this service?

See the Allied Health Referral Form - Medicare on our website at [www.ipchealth.com.au/medicare-allied-health](http://www.ipchealth.com.au/medicare-allied-health).

You will need to make sure that you attach the CDM Referral from your GP with the referral.

Please be aware that we do have a waitlist for some of our services. Please contact us if you would like more information about these.

Scan the QR code to visit our website for more information, including fees and how to access this service.

**If you have any questions, contact IPC Health on 1300 472 432.**
