Feedback

We value and encourage feedback to improve the quality of our services.

You can make suggestions, give us compliments or make a complaint anonymously. There is a feedback box in our waiting room or you can complete an online survey with the invitation sent via SMS or email. Alternatively, you can contact the Health Complaints Commissioner at hcc.vic.gov.au/contact

Your health information

To ensure the safety and management of all client information, our service uses a verification policy.

All health information requested by or transferred to another clinic or agency is verified and approved only by our privacy officer.

All results and correspondence are scanned and imported to the doctor's holding file for regular review.

Test results and communication

We will contact you once we have received your test results to make an appointment with the GP. Results marked urgent by the GP will be followed up as a priority. If we're unable to reach you by phone, we will send correspondence to make an appointment with the GP. Results will not be provided over the phone.

If you need to speak to a GP or nurse, a message will be taken and they will return your call as soon as they can. We are unable to communicate with clients through email.

Reminder system

The GP Clinic routinely sends out reminders for appointments (for example, cervical screenings or vaccinations) to clients by SMS or reminder letter.

If you would prefer not to receive a reminder SMS or letter, please let our client services staff know.
