Refugee Health

Our Refugee Health team

- Refugee Health nurses can coordinate your care and provide health information

- community case workers can assist with social issues and coordinate care

- refugee access workers provide cultural awareness and speak multiple languages

How can we help?

- work with you and your family to access support and to navigate the healthcare and social system

- refer you to a family doctor or GP

- link you in with other service providers

Who can use this service?

This service is available to people from a refugee background and people who are seeking asylum who live, work or study in Wyndham, Brimbank or Hobsons Bay.

Is there a fee?

This service is free.

Can I have an interpreter?

Yes, interpreters are free. Please let us know when booking an appointment.
